For people who don't understand, Rosemont Copper is agreeing to pay for Green Valley and Sahuarita's CAP waterline and recharge for Well Company so that they can pump ground water. The CAP is not for Rosemont to use.

The company's name is Community Water

Check this out ASAP-

Another agency is attempting to slide the Environmental Assessment Process under the cloak of darknesss with little public notice

On August 26th the Bureau of Reclamation is holding ONE public scoping meeting in Green Valley to discuss the

'Notice of Public Scoping for Preparation of an Environmental Assessment (EA) on the Proposed Community Water Company of Green Valley (CWC) Central Arizona Project (CAP) Water Distribution System and Recharge Facility (Action by September 12, 2008)'

The notice was sent out on August 11th. THE PRESS RELEASE WENT OUT ON AUGUST 13th.

To whom, I'm not sure!

The meeting is on August 26. Get ready people. Send your comments in and let them know we will NOT be treated this way again in a public process.

Send a copy of your comments to the Arizona Corporation Commissioners as well-

If you have any questions contact Elizabeth Webb.
